DETAILED ACTION

Claims 1-20 are currently presented and have been examined.

Allowable Subject Matter

Claims 1-20 are allowed in view of the Applicant's statements and arguments made of record regarding the "view buffer" as recited in the claims and the specification and the cited prior art of record. The cited prior art does not teach or reasonably suggest converting a service request from one format to another format without the use of a view buffer which, along with the rest of the claimed limitations, are distinguished from the cited prior art of record.

Drawings

Applicant is reminded that in order to avoid an abandonment of this application, the drawings must be corrected in accordance with the instructions set forth in the paper mailed on 16 November 2005.
